# 1983 Full Membership — American Society for Microbiology

1913 I St., NW, Washington, DC 20006

The Society welcomes to full membership any person who is interested in its objects, and who holds a bachelor's degree in microbiology or a related field (or who has had training and experience equivalent to that represented by a bachelor's degree).

The minimum annual membership assessment is \$50, which includes a general membership fee, *ASM News*, and \$41 toward subscriptions to the Society's scientific journals. The Society publishes nine scientific journals (listed below). Members may subscribe to one or more of these journals at special member rates; \$41 of the minimum dues payment of \$50 may be credited towards journal subscriptions. In addition, the Society publishes the monthly *ASM News*, which is sent to all members and contains news and announcements of interest to all microbiologists.

Memberships are initiated and renewed as of January each year. Unless there are directions to the contrary, membership nominations received prior to November 1 will be credited to the current year, and back issues of the selected publications for the current year will be furnished. Nominations received after November 1 will become effective the following January.
